PROFILE

I am a dedicated and motivated Software Engineering student currently pursuing a Higher National Diploma (HND) in Computing at ESOFT Metro Campus, affiliated with the University of Colombo. I have a strong interest in full-stack development and UI/UX design, and I'm eager to apply my knowledge and gain real-world experience through a challenging internship or trainee role in the tech industry.

ACADEMIC PROJECTS

- **Student Paper Sharing App – Next.js, Tailwind CSS**
Designed a web platform where students can upload, rate, and download academic papers. Focused on responsive UI and paper management system.

- **Sales Data Analysis Tool – Python CLI**
Built a command-line tool to process and visualize retail sales data using CSV files and matplotlib.
